Consultant Profile

Christina Cajtoft is a Partner and Senior Recruitment Consultant at Finnveden Executive since 2024. She works with executive and specialist recruitment for the private sector, both nationally and internationally.

Christina holds a degree in Behavioral Science and has over twenty-five years of experience within the HR field. Her assignments have varied widely, ranging from holding leadership roles and driving strategic development projects—primarily related to organizational development and leadership—to recruiting key positions across a wide range of industries and corporate cultures, in both the private and public sectors. Over the past twenty years, her focus has primarily been on executive-level assignments. Christina is certified in board work and corporate governance.
